

Opening Ceremony 2024

The opening ceremony of the 6th International Sustainable Energy Summit (ISES) 2024 focused on promoting sustainable energy and innovation in energy transition. Key highlights include:

- **Welcome and Speeches:** Ahmad Zairin bin Ismail, Chairman of the Sustainable Energy Development Authority, welcomed over 5,000 participants and emphasized the summit's theme, "Accelerating Energy Transition through Innovation."
- **Deputy Prime Minister's Address:** Deputy Prime Minister Muhammad Datuk Sri Haji Fadillah bin Haji Yusuf outlined Malaysia's commitment to achieving net zero carbon emissions by 2050. He highlighted key initiatives such as increasing renewable energy capacity, phasing out coal by 2030, enhancing grid flexibility, and promoting cross-border renewable energy trade.
- **Government Initiatives:** The Deputy Prime Minister discussed plans to enhance the open grid mechanism, transition from a single buyer model for renewable energy, promote non-solar renewable resources, and accelerate grid-level battery energy storage systems.
- **Youth Involvement:** Youth leaders emphasized the urgency of climate action, and the Deputy Prime Minister officially launched ISES 2024, setting the stage for the summit's activities.

This summary captures the essence of the ceremony, highlighting Malaysia's strategic focus on sustainable energy and innovation.
